DESIGN LIMITED

## Packaging Artworker

Competitive Salary Dependent on Experience

It is an exciting time to join us as we continue to rapidly expand and we are looking for an experienced and talented packaging artworker to join our multi national creative team.

## Required Skills and Experience

You will have a minimum of 3 years experience and demonstrate a good working knowledge of packaging artwork.

You will possess good experience of Illustrator, Photoshop and InDesign.

Able to demonstrate a sound knowledge of print process requirements.

Educated to a minimum of A-Level or BTEC level you will be eager to progress in your career in artwork and to learn new skills.

You must be able to work in a fast paced environment and to exacting guidelines, demonstrating high levels of precision.

You will work well as part of a team and be able to work calmly and efficiently to meet tight deadlines.

A lot of our client correspondence, briefings and copy instructions are in German, therefore knowledge of German is advantageous but not essential.

## Responsibilities

From designs, you will set up completely new packaging artworks for labels, boxes, sleeves, foils, tubes, lids and outer cases for various different print processes.

To carry out self-checks on your work and ensure that all artwork produced complies with the brand guidelines and our strict internal quality standards.

Make changes on existing artwork.

To be flexible to ensure that all client deadlines are met.

To communicate effectively with and to manage the expectations of the Account Managers.

To be open to learn and to build on your skills and experience.

In return you will get the opportunity to work in a lively studio with a large team of experienced and talented artwork professionals who will help you develop your skills and expand your knowledge.
