DESIGN LIMITED

Junior to Senior Packaging Artworkers – Permanent and Freelance

Competitive salary dependent on experience

Due to expansion we are looking for Junior to Senior Packaging Artworkers to create extensive artworks for food or non-food packaging and sales material.

Experience in setting up packaging artworks is essential (min. 2-3 years) if you are applying for a mid-senior position.

The deadlines of some of our projects can be very demanding, therefore you must prove to be highly precise, able to work fast, show the ability to concentrate on individual projects for long periods of time, but also be able to continuously change between smaller projects.

A lot of our client correspondence, briefings and copy instructions are in German, therefore knowledge of German would be advantageous.

You must be able to work on your own as well as in a team, and show the ability to be organised and work calmly and efficiently in order to meet tight deadlines.

You must be Mac literate and should have a firm grasp of Adobe Illustrator, InDesign and Photoshop CS5.

Duties and Responsibilities, dependent on level, include:

- Set up completely new packaging artworks for labels, boxes, sleeves, foils, tubes, lids and outer cases, for various different print processes
- Make changes on already existing artworks
- Learn to understand and execute all internal artwork briefings correctly and efficiently
- Learn how to create Photoshop backgrounds and set up DCS files
- Learn to ensure that your artworks comply with all relevant artwork and brand guidelines
- Ensure that your artworks are precise and comply with our strict internal quality standards
- Liaise directly with all Account Managers
- Learn how to estimate the required artwork time for each project
- Manage your time effectively and be able to set priorities
- Be proactive, think on the job and learn to minimise downtime
- Check and proof read your own artworks before handing them back to the Account Managers
- Manage Account Managers' and clients' expectations and ensure that all deadlines are met
- Learn how to prepare and supply the complete print data package to our clients
- Fluency in German would be advantageous

Please apply by e-mailing a full CV, a covering letter stating your salary expectations and your availability to commence work together with 5-10 samples of your own work (PDF, max. 10 MB) to careers@tjarksandtjarks.co.uk.
